

Lakeside Group, PMA

Arizona common law insists upon transactional fairness. The Arizona approach to contract law is also efficient, increasing predictability, reducing transaction costs, and compensating for information asymmetries, where one party has more or better information than the other.

Under the protection of the Constitution for the United States of America, the U.S. Supreme Court, and the Arizona Constitution, Lakeside Group is a Private Membership Association (PMA) with the following Agreement:

1. Membership is open to anyone, wherever located, who agrees to abide by this Agreement.
2. A majority of Members may decide by vote to amend this Agreement.
3. The purpose of Lakeside Group PMA is to provide the most suitable location and means for Members to create cryptocurrency.
4. Each Member will have the opportunity to purchase and house their servers at the property in Lakeside, Arizona, and as expansion to other locations may occur.
5. Each Member will be responsible to pay for their own share of rent and electricity, payable to Dynamic Power Services, LLC in the acceptable mode.
6. The Membership will decide by vote how best to dispose of outdated servers.
7. The Membership will decide by vote how best to add new servers to strengthen the Mining Pool.
8. Members may volunteer for a Server Research Committee to ensure the most efficient machines.
9. Members may volunteer for a Treasury Committee to make sure Members are receiving proceeds properly and that obligations are timely met
10. Members may volunteer for a Grievance Committee to address issues before they may become problems.
